OUR THREE-FOLD PURPOSE:

1. Evangelize and disciple Amish and former Amish people:

This is being accomplished through personal witness, home Bible studies, home prayer meetings, the Bible Club, Amish Voice, and the audio ministry. MAP also offers counseling and protection to those who are victims of sexual, mental, and physical abuse.

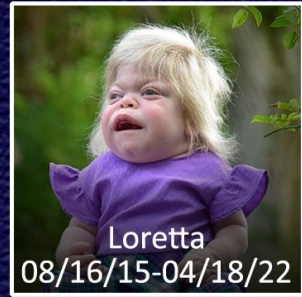

2. Assist older teenagers and young adults who have already left the Amish culture by providing basic life skills such as:

- Communicating with English as a second language.
- Receiving driving lessons for obtaining a vehicle operator's license.
- Learning new cultural norms, expectations, and social practices.
- Applying for a Social Security card and completing employment applications.
- Studying for high school GED testing and considering higher educational levels.
- Preparing for job interviews, finding a residence, and acquiring home furnishings.
- Opening bank accounts and understanding practical financial management practices.

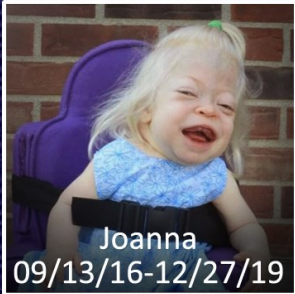

3. Expand MAP all over North America.

Since the establishment of MAP in February of 2000, the founders have traveled throughout the United States presenting the ministry to local churches. The goal of MAP is to pass the burden on to others, so that they too, can help reach Amish people throughout the US and Canada.

Step Out of the Boat Conference! March 22-25, 2023

I know. It's a lot less stressful when we can just sit in that boat and coast on down the river. We stay dry. Protected. Relaxed. Normal. Comfortable. Fit in with the multitude. That is, until Jesus calls our name and we have little or nothing to show.

You don't particularly like it. Life is dead and monotonous. You'd love to make a bigger impact in THIS generation. You've wondered what it would be like to experience the supernatural and holy anointing of God's power in your life, but you can't seem to get out of your boat. You are stuck in a rut.

For those reasons, we are planning our 3rd *Step Out of the Boat Conference* - March 22, 23, 24, 25. YOU are invited to come and hear real stories from common everyday people who stepped out, grabbed ahold of God's hand and agreed to go wherever God led them. Hear what God is doing through them now. You will be encouraged, weep, feel connected, be challenged, and leave with a greater level of faith. This is our generation! Our turn to stand and make a difference!

What to Expect

The conference is for common everyday people like yourself who want to make a bigger impact, but don't really know how to get out of the rut and stay out.

You will meet up with 20 Spirit filled people of God, from various backgrounds—English, Amish, Mennonite, Hutterite—who are already lined up to preach and tell their stories of overcoming fear and unbelief. You will hear first hand what happened in their personal lives the day they stepped out of their comfy little boats and sold out to the God.

The *Williamson Branch family* (WilliamsonBranch.com), from Nashville, TN will be joining us this year to lead worship and do a 90-min gig on Friday evening. Allen Miller and his singing group from Middlefield, OH will also provide special music. Both groups are amazingly talented. We couldn't be more excited!

During the conference, you will have many opportunities to connect with other believers from different cultures. You will be challenged to become a generation influencer for the sake of Jesus Christ and the Kingdom of God!

Between lunch and dinner we are planning *Family Fun Time*. At that time, you can chose to hang out with family and friends, you can go to your motel room and take a nap, or you can join our family games. Our goal is to have fun together.

The conference will begin right at 7pm on Wednesday, March 22, go all day Thursday and Friday, and end at noon on Saturday.

We will provide a light breakfast (Thursday-Saturday), lunch and dinner on (Thursday and Friday). If you need a place to stay for the night, you can either stay at a local motel in Ashland, OH, or we will do our best to find a home for you.

So, come on, plan now to move away from your comfort zone. Come and join us in March for our 3rd *Step Out of the Boat* Conference.
