## ADSF Awards Funds for 2015!

ADSF (Amish Descendant Scholarship Fund) is very excited to announce the 2015 scholarship winners. Once again, it was a very hard choice because if we could, we would help everyone. We're so excited to see so many former Amish students get a higher education and we believe they are setting an example for so many others to do the same.

Our biggest congratulations to all the winners; we wish you all the best in your studies and personal development. To those who didn't win, we're very sorry. We wish you could feel how hard it is to not be able to help everyone. If it's any consolation, we've had to deal with sizable student loans ourselves! But hopefully with time we'll raise awareness and grow the fund so that other former Amish students won't! We'd like to

sincerely thank our donors for making this year's scholarships possible. It means so much to us to be able to do this. Please join us in congratulating the winners as listed below:

Leon Hostetler-3000, Lisa Yoder-1000, Lydia Miller-1000, Susie Swartz-1000, Regina Miller-3000, Mary Katherine Miller-3000, Katie Borntrager-2000, James Schwartz-1000

## Monroe Raber Wins Feature Race!

Monroe Raber was excited to report about his first win of the 2014 racing season. Monroe says he won first place three times in the 2013 season. Congratulations, Monroe!

"I FINALLY DID IT! Won my first feature race of the season. Waited a long time for this one. I ran lights and medium. Won both heats and feature in lights, won one medium heat, second in the other heat, started outside pole for feature and was pushing the leader, trying to pass when I got punted out of second place and finished third. Need to learn how to pass more efficiently. All in all, a good night. Gotta thank all my sponsors: DAVIS LAWN AND LANDSCAPE, E&E CONSTRUCTION, TIFFANY'S DOG GROOMING, MJR BUILDING. I also wanna thank HAMMOND MOTORSPORTS for a stout engine, Coy Hanson Enterprises for fast tires, and SNIPER BODIES. The new body seemed to really help the kart handle better. And most of all, wanna thank the GOOD LORD for his protecting hand, keeping me and my competitors safe for a fun night of racing. On to the next one!!
